## ABOUT US :

The screenshot shows a web browser window with multiple tabs. The active tab is 'DREAM JOB SEEKER'. The address bar shows '127.0.0.1:5000'. The page has a dark blue header with the 'dream job seeker' logo on the left and 'LOGIN', 'REGISTER', and 'AVAILABLE JOBS' buttons on the right. The main content area is titled 'ABOUT US' and contains three columns: 'MISSION', 'VISION', and 'OBJECTIVE'. The 'MISSION' column describes the goal of enhancing client and candidate satisfaction. The 'VISION' column describes the goal of bridging gaps between industry standards and academic offerings. The 'OBJECTIVE' column lists specific goals like providing career guidance, training, and establishing technology development centers. Below the 'ABOUT US' section, the text 'KNOW MORE ABOUT THE TEAM' is visible. The Windows taskbar at the bottom shows the search bar and system tray with the date '02-11-2022'.

**MISSION**

Our mission is to enhance client and candidate satisfaction by increasing the quality of sourcing, boost better recruiting practices that are focused on long-term hires and building employer and employee relationships. We strive to improve the overall process of recruitment online and offline. We put our efforts to increase customer satisfaction, to enhance the interaction process between clients and candidates, and streamline the process for better efficient results, which will result in cost and time saving.

**VISION**

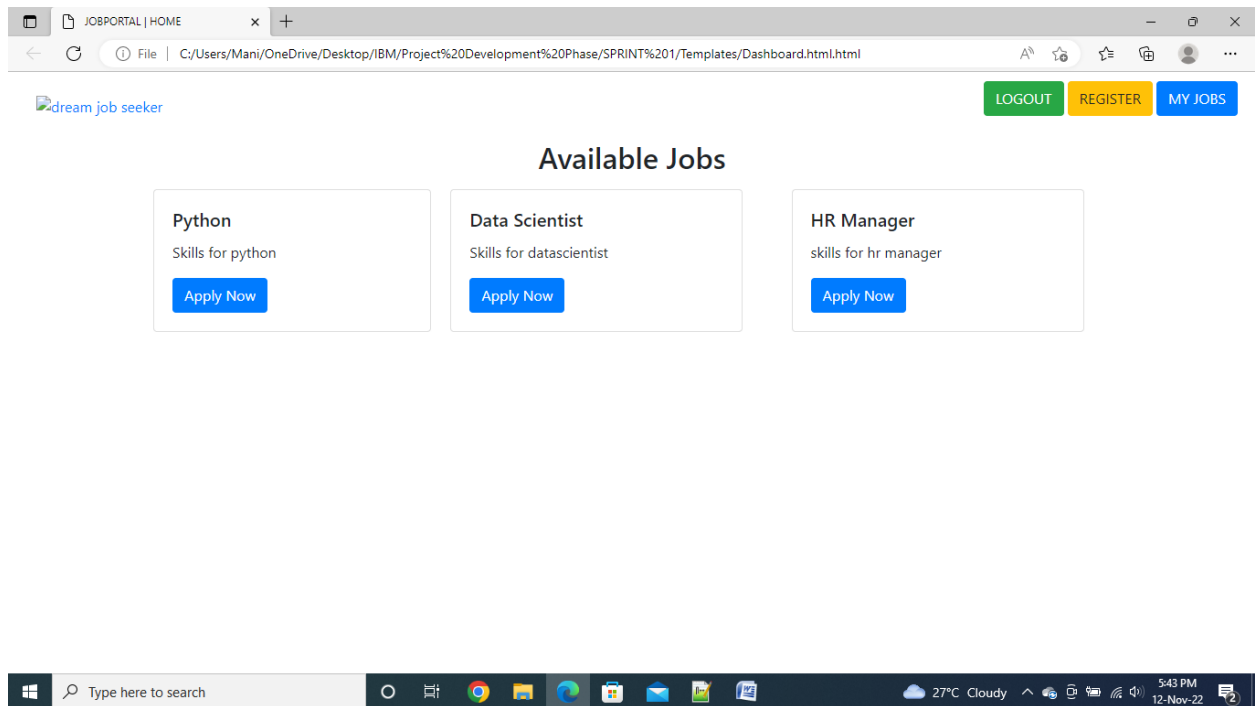

Our main objective is to bridge the existing gaps between prevailing industry standards and what the academics offer to the graduates while passing out of university. Jobportal offers suitable skill deployment and training to the young talent before on boarding their first job. Our skill development programs are designed considering the present expectations in the industry.

**OBJECTIVE**

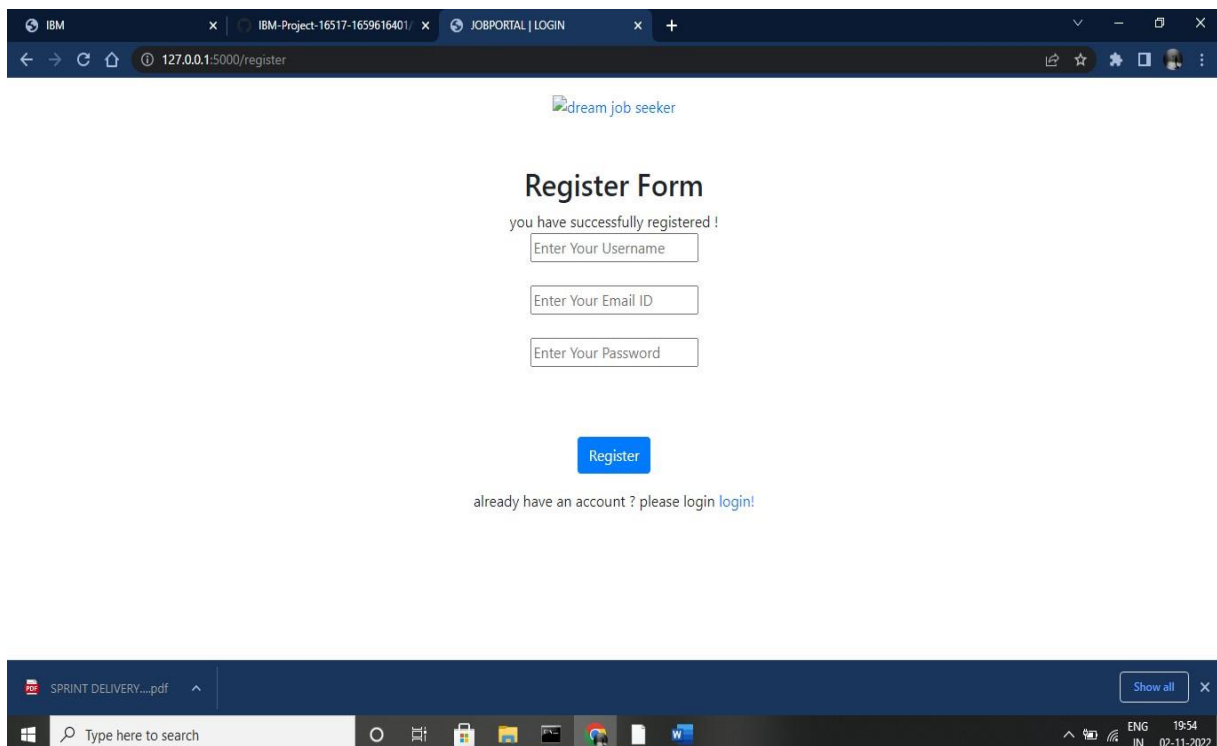

Well directed career guidance programs for educational institutions  
Appropriate certification courses that suit the industry need  
Train the trainers; expanded awareness about the current industry standards  
Liaise with corporates to offer niche internships  
Establish technology development centers in colleges  
Specialised incubation centers in collaboration with corporates
